

October 2018  
MONTHLY

## HealthCare First is fighting for the cure!

October is National Breast Cancer Awareness Month and HealthCare First Credit Union is doing our part to raise money to find a cure for this disease that affects so many men and women each year! Throughout the entire month, you can stop in at any one of our eight offices and make a donation for breast cancer. When you make a donation, you will receive a ribbon to put the name of a loved one on who has fought or continues to fight with breast cancer which will be hung in our office. Please help us decorate our offices in pink ribbons to honor the fighters in our lives! At the end of the month, we will make a donation of all money raised to the Joyce Murtha Breast Care Center and to the UPMC Altoona Breast Cancer Health Center.

We have many other ways that you can donate to this cause. Every office will have breast cancer shirts for sale. The cost of the shirt is \$15 dollars and the proceeds will benefit breast cancer. The shirts are available in medium, large and XL. However, if you want one, you better act fast because once they are gone, they are gone! Shirts will be available in each office at the start of the month.

We will be giving away a fire pit filled with goodies this year! (Please see the photo on the back side of this newsletter). Raffle chances will be available at every office until October 30th. The winner will be pulled on October 31st, and will be announced in our November newsletter. The cost of the tickets are \$2 each or three tickets for \$5. A new event we will be doing this year is a Staff Pumpkin Decorating Contest where our members will be the judges! All you have to do is visit our Franklin Street or Duncansville office from October 1st to October 26th and vote for your favorite pumpkin! In order to vote, just drop any amount of money into the bucket for your favorite pumpkin. The staff member whose pumpkin collects the most money will be the winner! All change will be donated to breast cancer at the end of the month, and the winning pumpkin will be featured in our November newsletter.

We want our young members to be able to participate in Pink Month too which is why we are bringing back the coloring contest! Color sheets will be available at each office starting on October 1st for all members who are 12 and under. Please follow the directions on the back of the color sheet. The deadline will be Friday, October 26th. The winner will receive a \$25 gift card and be featured in our November newsletter.

Finally, Credit Union Day will be on Thursday, October 18th. Each office will have some snacks and a giveaway item for you so be sure to mark your calendars to stop by any office on that day!
