Giving Thanks

From the editor

November usually makes me think of one thing.... turkey! My stomach is rumbling just thinking about my mom's turkey dinner... stuffing, mashed potatoes and gravy, green bean casserole, sweet potatoes, cranberry salad, and her homemade pie... YUM! But Thanksgiving has a much bigger meaning than all the delicious food... giving thanks. This is what makes Thanksgiving my favorite holiday. No matter what your life is like or what point you are at in life, there is always something to be thankful for that maybe we take advantage of sometimes. So this month, take some time to reflect and simply *be thankful*.

Here at the credit union we are truly thankful for each and every member we have. So we want to thank you for being a member with us!

Wishing you and your families a very safe and happy Thanksgiving!

Breast Cancer Month

Breast Cancer Awareness Month is over and we are quickly making way to Thanksgiving! We had a very successful October raising money for breast cancer thanks to all of our generous members. We raised a total of \$1,500 that will be donated to the Joyce Murtha Breast Care Center and to the UPMC Altoona Breast Cancer Health Center. We owe a big thank you to all of our members who made donations, purchased shirts, voted in the pumpkin contest, and purchased chances on the fire pit. It was through your generosity that we are able to help fight breast cancer! We have the best members!!!

The fire pit was a huge hit among members and was very successful! The lucky winner of the fire pit filled with goodies was Belinda S. Again, thank you to everyone who purchased chances.

The Kid's Coloring Contest wrapped up on October 26, and we sure had a fierce competition from the entries we received. All of the entries looked AWESOME!!! Thank you to all of the kids who submitted a coloring page for the contest. The winner of the contest was Jasmyn, 8. We hope to keep doing fun activities like this for our younger members!

We really love doing fun things for all our members, especially when it's helping to raise money for such a good cause. Therefore, if you have any feedback on this year's events or any event we do throughout the year, please do not hesitate to reach out to Maria at maria@healthcarefirstcu.com.

Any member that is enrolled in mobile capture and uploads a check for deposit MUST write "for mobile deposit only to HealthCare First Credit Union" on the back of the check.
