Fraud Protection

In today's world, fraud is a daily occurrence. This is why we are constantly trying to educate our members on ways to protect themselves against fraud and identity theft. A bittersweet farewell...

I have been writing and designing these newsletters for two years, and it has been a blast along the way!

As of April 26, I am resigning from my position here at HealthCare First Credit Union as Marketing Manager. This place has been my home for the past two years, and this is definitely a bittersweet time for me. I really enjoyed working here and it has been a true pleasure to be part of the credit union family. For any of you who I had the pleasure of dealing with directly, it was an honor! This credit union is full of wonderful people, and I enjoyed meeting members at the different events that I was lucky enough to plan and take part in here.

It feels like yesterday that I was writing my first newsletter to announce my new position here as the Marketing Manager. The past two years really flew by, and it is just time for me to turn the page on my book of life. I will never forget my credit union family, and I will especially miss the staff who has taken me under their wings since I started.

I am really excited to begin a new chapter in my life, and I wish you all the best in health and happiness!

Are You Traveling This Summer?

Do you have plans to travel this summer? If you do, please call any one of our eight offices and let us know so we can make sure that your debit and/or credit cards will not be blocked. Cards are blocked in certain areas due to the risk of fraud. We want to make sure that you are the only one using your credit and debit cards so please make us aware of any travel plans before you go! It will make it easier on you when you use your card out of the area while traveling!

Our offices are collecting old eyeglasses, reading glasses, and sunglasses for the Lions Club. They are especially in need of children's eyeglasses. Please feel free to drop off any of these items to any one of our eight office locations.
